[MUSIC PLAYING]

My name is Allie Northrop, and I'm a client relationship associate. My role is mainly to make sure that our institutional clients receive the highest level of service. I really like that every day is different. I also just love our team, we're like a small family. And if you ever need help with anything, you can know that someone will always be willing to help you. I enjoy watching sports, I am a big basketball fan. And in the summer, I just enjoy being outside as much as I can. I'm not really a winter person, so I try and make the most of Minnesota summers because we only get so many months of warm weather.

I think it's super rewarding knowing that no matter what tasks we do, big or small, it's working towards helping our clients achieve their financial goals.
